10. (Currently amended) A garment hanger retail package comprising:
-ef- at least a first and a second garment hanger; each garment hanger having a
suspension member and two support arms extending from opposite directions of said
suspension member for supporting a garment; and
a display tag positioned in front of said second garment hanger and behind said first
garment hanger, said display tag is further provided a display area extending along the
extension of said support arms.

11. (Original) The garment hanger retail package of claim 10 wherein said
display area is positioned substantially on top of said support arms.

10/044,685 Art Unit 3728

12. (Previously presented) The garment hanger retail package of claim 10 further comprising fastening means for attaching at least two points of said first garment hanger to said display tag.

13. (Previously presented) The garment hanger retail package of claim 12, wherein said fastening means comprises a flap folded from said display tag.

14. (Currently amended) A garment hanger retail package comprising: at least one garment hanger having a suspension member and two support arms extending from opposite directions of said suspension member for supporting a garment; a display tag positioned behind said garment hanger for providing a substantial full frontal view of said garment hanger and for defining a display area; and fasteners provided for attaching at least two points of said first garment hanger to said display tag.

15. (Currently amended) The garment hanger retail package of claim 14, wherein said fasteners comprise a transparent tape strap.

16. (Currently amended) The garment hanger retail package of claim 14, wherein said fasteners comprise a tape strap similar in color to a portion of the hanger fastened by the tape strap.

17. (Original) The garment hanger retail package of claim 14, wherein said fasteners comprise a flap folded from said display tag.

18. (Currently amended) A garment hanger retail package comprising: at least one garment hanger having a suspension member and two support arms extending from opposite directions of said suspension member for supporting a garment; and a display tag positioned behind said garment hanger for defining a display area, and for providing a substantial full frontal view of said garment hanger, wherein said display tag comprises a folded flap engaged with the suspension member of said garment hanger.

30. (New) The garment hanger retail package of claim 28 further comprising at least two separated fasteners provided for attaching said display tag with said display tag to said garment hanger through said holes.

31. (New) A garment hanger retail package comprising:
at least one garment hanger having a suspension member and two support arms
extending from opposite directions of said suspension member for supporting a garment;
a display tag having a substantial display area positioned vertically above and extending along one or both of said supporting arms.

32. (New) The garment hanger retail package of claim 31 further comprising at least two separated fasteners for securing said display tag behind said garment hanger and for providing a substantial full frontal view of said garment hanger in a store.

33. (New) The garment hanger retail package of claim 31 wherein said garment hanger is an adjustable width hanger having two stationary supporting arms and two movable arms configured to adjust the width of said hanger, wherein said fasteners are attached either to the medial portion or the stationary arms of said hanger so as not to interfere the motion of said movable arms.

34. (New) The garment hanger retail package of claim 31 wherein said package comprises at least a first and a second garment hanger, said first garment hanger is positioned in front of said display tag, and said second garment hanger is positioned behind said display tag.

35. (New) The garment hanger retail package of claim 31 wherein the frontal view of said garment hanger locates behind said fasteners, and said fasteners have a color similar to the color of said garment hanger for providing a substantial full frontal view of said garment hanger.

36. (New) The garment hanger retail package of claim 14 wherein said package comprises at least a first and a second garment hanger, said first garment hanger is positioned in front of said display tag, and said second garment hanger is positioned behind said display tag.
